

GOTR-Northwoods Partnership Opportunities

What We Do

Girls on the Run is a physical activity-based positive youth development program designed to develop and enhance girls' social, psychological, and physical competencies to successfully navigate life experiences. Over a period of 10 weeks, girls in the 3rd - 5th grade participate in an after-school program unlike no other. Meeting twice a week in small teams of 8-20 girls, we teach life skills through dynamic, interactive lessons and running games. Designed to allow every girl to recognize her inner strength, the Girls on the Run curriculum inspires girls to define their lives on their own terms.

Over the course of the program girls will:

- Develop and improve Competence
- Feel Confidence in Who they are
- Develop strength of Character
- Respond to Others and Oneself with Care and Compassion
- Create Positive Connections with Peers and Adults
- Make a Meaningful Contribution to Community and Society

Physical activity is woven into our program to inspire an appreciation of fitness and build habits that lead to a lifetime of health. At the end of each season, the girls participate in a Girls on the Run 5K event. Completing the 5K gives the girls a tangible understanding of the confidence that comes through accomplishment, as well as a framework for setting and achieving life goals. The result—making the seemingly impossible, possible, and teaching girls that they can.

We inspire

girls to be joyful, healthy and confident using a fun, experience-based curriculum that creatively integrates running.

We envision

a world where every girl knows and activates her limitless potential and is free to boldly pursue her dreams.

The Outcom

Girls that have participated in the program are less likely to participate in unhealthy and risky behaviors and are more likely to have increased self-esteem, body image, and commitment to physical activity.

Why support Girls on the Run?

The generosity and support of our local sponsors contributes directly to the success of our program. You enable us to secure program materials, purchase supplies for our coaches and volunteers, improve outreach to under-served populations, and, most importantly, your support guarantees that we can provide the program to all girls - regardless of income or ability to pay. 80% of our participants received discounted program fees in 2016. We hope you will consider being a part of the transformation and empowerment of girls in Oneida, Vilas, Marathon & Wood Counties.

“Girls On The Run was one of the best programs I have ever participated in, and I am so thankful for everything they taught me, and the things they are continuing to teach for generations to come. We will help shape this world into an even better place, one girl at a time.”

“Running the 5K is a lot like following your dreams. When you run, you set a pace and press on. When pursuing your dreams... you must accomplish goals along the way to reach your dreams. Never give up.”
